178. **D. Stay polite and professional.** Drivers should remain professional at all times and must not try to start a personal relationship with a passenger, whatever the passenger does.
179. **D. You, the driver, at all times.** A driver has responsibility for the safety of their passengers and a lot of control over them. Codes of conduct say drivers must remain professional at all times.
180. **A. Do not join in; change the subject.** Never join in sexual talk with a child. Conditions and codes of conduct ban conversation of a sexual nature and sexualised language. Report it if it suggests the child is at risk.
181. **C. Action Counters Terrorism.** ACT, Action Counters Terrorism, is the police campaign asking the public to report suspicious activity.
182. **B. Move away from it and call 999.** Visible wires make an item obviously suspicious. ProtectUK says do not touch it, move people away to a safe distance and call 999.

183. **D. Report it to the police or ACT.** If you see something that does not feel right, report it at gov.uk/ACT or on 0800 789 321. Call 999 in an emergency.
184. **A. 0800 789 321.** You can call the police in confidence on 0800 789 321, or report online at gov.uk/ACT.
185. **B. Run, Hide, Tell.** Run to a place of safety if you can. If you cannot, hide. Tell the police by calling 999 when it is safe.
186. **C. When it is safe to do so.** Get to safety first. Then tell the police by calling 999 when it is safe to do so.
187. **D. Yes, it is OK if you are not sure.** The ACT campaign says trust your instincts. It is OK if you are not sure; the police will check it.
188. **C. Listen, take them seriously and offer support.** Talking about suicide does not make it more likely. Listen, stay calm, and signpost them to help such as the Samaritans.
189. **B. 116 123.** Samaritans can be called free from any phone on 116 123, day or night.
190. **A. Call 999, as they may be in immediate danger.** If someone may harm themselves now, it is an emergency. Call 999 and stay with them if it is safe.

Licensing law basics

191. **D. A hackney carriage, in the area where it is licensed.** Only a hackney carriage may ply for hire, which includes being hailed. It may do this only within the area of the council that licensed it.
192. **C. Refuse, and tell them to book through an operator.** A private hire vehicle must not ply for hire. Every journey must be booked through a licensed operator before it starts. A street pick-up is an offence, and your insurance may not cover it.
193. **B. Hackney carriages licensed by that council.** Ranks (stands) are appointed by the council for its hackney carriages. Private hire vehicles must not use them to wait for passengers.
194. **D. Offering a vehicle for hire on the spot, such as at a rank.** Plying for hire means making a vehicle available to be hired there and then, for example by waiting at a rank or driving around looking for fares. Only hackney carriages may do this.
195. **C. So nobody thinks they can hail it in the street.** A private hire vehicle must not be of such design and appearance that people would think it is a hackney carriage, because only hackney carriages can be hailed.
196. **D. Not without a reasonable excuse.** A hackney carriage driver who refuses or neglects, without reasonable excuse, to take a hirer to a place within the prescribed distance commits an offence.
197. **A. The council, in its table of fares or byelaws.** A council may fix hackney carriage fares and other charges by a table of fares. A driver must not charge more than the table allows.
198. **A. The fare shown on the taximeter.** For a journey ending outside the district with no fare agreed in advance, the driver must not charge more than the meter shows.

199. **C. The operator who accepted the booking.** Every contract for the hire of a licensed private hire vehicle is treated as made with the operator who accepted the booking, even if another person provided the vehicle.
200. **A. Before the journey starts.** An operator must record the particulars of every booking, in the form the council requires, before the start of each journey, and show the record to an officer or the police on request.
201. **D. An offence of unnecessarily prolonging the journey.** A licensed driver must not, without reasonable cause, unnecessarily prolong a journey in distance or in time. This applies to hackney carriage and private hire drivers.
202. **A. A fit and proper person.** A council must not grant a driver's licence unless it is satisfied that the applicant is a fit and proper person and is not disqualified by immigration status.
203. **B. At least 12 months.** A council must not grant a driver's licence to anyone who has not been authorised to drive a car for at least twelve months.
204. **C. 3 years, unless the council sets a shorter period for that case.** A driver's licence remains in force for three years, or for a shorter period that the council thinks right in the circumstances of the case.
205. **B. 5 years.** An operator's licence remains in force for five years, or for a shorter period that the council thinks right in the circumstances of the case.
206. **A. 1 year.** A private hire vehicle licence remains in force for the period the council sets, which must not be longer than one year.
207. **C. Would you let someone you care for travel alone with them?** The question is: would you allow a person for whom you care, regardless of their condition, to travel alone in a vehicle driven by this person at any time of day or night?
208. **A. The balance of probabilities.** Decisions are made on the balance of probabilities. The applicant should not get the benefit of the doubt, and conduct without a conviction can be considered.
209. **D. Enhanced, with checks of the children's and adults' barred lists.** Councils should require an enhanced DBS check with a check of both barred lists for every driver applying for or renewing a licence.
210. **B. Every 6 months.** Drivers should be required to keep up continuous registration with the DBS Update Service so the council can check for new information every 6 months. Drivers who do not subscribe should still be checked every 6 months.
211. **B. Check online at any time if the DBS certificate is still up to date.** Subscribing keeps a certificate up to date online and, with the person's consent, lets named organisations check its status at any time.
212. **D. Worn where it can be plainly seen.** A driver must wear the badge at all times when working under their licence, in a position where it is plainly and distinctly visible.
213. **D. It must end no later than their permission to stay ends.** If a driver has limited leave to remain, the council must set a licence period that ends at or before the end of that leave.

214. **B. Yes, 'any other reasonable cause' is a ground in law.** The grounds include convictions for offences of dishonesty, indecency or violence, breaking taxi law, immigration offences, or any other reasonable cause.
215. **B. 21 days after the driver is given notice.** A suspension or revocation normally takes effect at the end of 21 days beginning with the day the notice is given to the driver.
216. **B. When public safety needs it and the notice says why.** If public safety requires immediate effect, and the notice says so and explains why, it takes effect when the notice is given.
217. **B. 14 days.** The council must give the driver notice of the grounds within fourteen days of the suspension, revocation or refusal to renew.
218. **D. To a magistrates' court.** Any driver aggrieved by a decision under section 61 may appeal to a magistrates' court.
219. **A. 21 days from when the notice was served.** Appeals under Part II of the 1976 Act follow the Public Health Act 1936: the time limit is twenty-one days from the date the notice of the decision was served.
220. **C. Yes, unless the decision had immediate effect for public safety.** Until the time for appealing ends, or an appeal is decided, the person may carry on the business. This does not apply where the decision has immediate effect for public safety.
221. **C. Their driver's badge.** The driver must return the driver's badge to the council on demand. Failing to do so without reasonable excuse is an offence.
222. **B. Within 5 days.** You must produce your licence either straight away or, for a council officer, at the council's main offices within five days, beginning with the day after the request.
223. **A. An offence of obstructing an authorised officer.** It is an offence to wilfully obstruct an authorised officer or police officer, to fail without reasonable cause to give them information they reasonably need, or to give information you know is false.
224. **C. As soon as reasonably practicable, and within 72 hours.** The proprietor must report any accident causing damage that materially affects the vehicle's safety, performance, appearance or passenger comfort as soon as reasonably practicable and within 72 hours.
225. **B. The driver, the vehicle and the operator.** An operator must not operate a vehicle as a private hire vehicle unless the vehicle and driver are licensed under the 1976 Act. This is read as meaning all three licences come from the same council, often called the 'triple lock'.
226. **B. Yes, if the other operator is licensed and accepts it in its own area.** An operator may sub-contract a booking to an operator licensed in another district, if that operator accepts the booking in its own district. The second operator then uses its own drivers and vehicles.
227. **A. No, only in the area of the council that licensed it.** A hackney carriage licence allows plying for hire only within the area of the council that granted it. Plying for hire elsewhere without a licence for that area is an offence.
228. **A. Hire and reward insurance that covers the licensed use.** Carrying passengers for payment needs hire and reward cover. A council must not license a private hire vehicle without suitable insurance in force.
229. **B. The vehicle licence and the insurance certificate.** The proprietor must produce the vehicle licence and the certificate of insurance when an authorised officer of the council asks.

230. **D. No, the vehicle must be smoke-free at all times.** An enclosed vehicle used by members of the public, whether or not for hire, is smoke-free. Smoking in a smoke-free place is an offence.
231. **A. No, it is used by the public so it is always smoke-free.** The vehicle is smoke-free because it is used by members of the public. This does not stop when the passenger gets out.
232. **D. Make them stop smoking.** The driver has a legal duty to cause anyone smoking in a smoke-free vehicle to stop. Failing to do so is an offence.
233. **C. At least one legible no-smoking sign must be displayed.** The person with management responsibilities for a smoke-free vehicle must make sure at least one legible no-smoking sign is displayed in it.
234. **A. True.** The 1976 Act lets a council attach the conditions it considers reasonably necessary. That is why local conditions differ, and why you must read your own council's.
235. **A. A national register of driver licence refusals, suspensions and revocations.** The 2022 Act requires English councils to record refusals, suspensions and revocations of driver licences on the national database, known as the National Register for Revocations, Refusals and Suspensions (NR3S).
236. **D. Search the national database for entries about the person.** Before deciding on an application for, or renewal of, a driver's licence, the council must search the licensing information database and consider any information it gets.
237. **C. Report the information to the council that licensed them.** If the council would have considered suspending or revoking the licence had it granted it, it must pass the information to the council that issued the licence.
238. **C. 10 working days.** The information must be provided before the end of 10 working days beginning with the day the council became aware of it.
239. **A. 11 years.** Each entry is removed at the end of 11 years beginning with the day it was first made.
240. **C. Have regard to them when using their licensing powers.** The Standards were issued under section 177 of the Policing and Crime Act 2017. Councils must have regard to them, and the DfT says that means more than a quick look.
241. **D. Police telling the council about a risk, for example at arrest or charge.** Common Law Police Disclosure lets police pass on information about a public protection risk at arrest or charge, rather than waiting for a conviction.
242. **B. They should not be issued a licence, except in truly exceptional cases.** In the interests of public safety, councils should not issue a licence to anyone on either barred list. Any exception must have its reasons recorded.
243. **C. Set national standards for granting, renewing, suspending and revoking licences.** Sections 70 to 74 let the Secretary of State make regulations setting national standards. When we checked on 29 October 2026, these sections were not yet in force.
244. **A. Suspend a licence from any English council for up to 48 hours for public safety.** Section 76 will let an enforcement officer suspend a driver, vehicle or operator licence granted by any English council if public safety requires it. Under section 77 the suspension normally lasts 48 hours. These sections were not yet in force on 29 October 2026.

245. **D. No, they will start on a date set by regulations.** Section 108 says Chapter 6 does not come into force when the Act was passed or two months after. It starts on a day the Secretary of State appoints by regulations.

Highway Code for taxi and private hire drivers

246. **A. Something that you must not do.** Signs with red circles are mostly prohibitive: they tell you what you must not do. Plates below a sign add details, such as times.

247. **D. It gives an order you must follow, such as 'turn left'.** Signs with blue circles but no red border mostly give a positive instruction, such as 'ahead only' or 'keep left'.

248. **B. Triangular.** Warning signs are mostly triangular. Direction and information signs are mostly rectangular, and signs giving orders are mostly circular.

249. **B. Green.** Primary routes have green signs. Motorway signs are blue, local routes are white with a black border, and brown signs show tourist attractions.

250. **D. Only when the bus lane signs show that taxis are allowed.** Bus lane signs show which vehicles, if any, may use the lane. Unless the signs allow your vehicle, you should not drive in it while it is in operation.

251. **A. You may not use it, unless the sign also allows private hire vehicles.** The Highway Code lists taxis and licensed private hire vehicles as separate types of vehicle. A sign that shows only taxis does not include private hire vehicles.

252. **B. Any vehicle, as long as other signs do not say otherwise.** You should not drive in a bus lane during its period of operation unless the signs allow you. Outside the times shown, the lane can be used by other traffic.

253. **B. False.** Each bus lane or bus gate has signs that say which vehicles are allowed. Some include taxis and some do not, so you must read the sign each time.

254. **A. You must not drive into it.** You must not enter a road, lane or other route reserved for trams. Trams cannot steer round an obstruction.

255. **D. When your exit road or lane is clear.** You must not enter the box until your exit is clear. You may wait in it to turn right if only oncoming traffic, or other vehicles waiting to turn right, stop you.

256. **C. 60 mph.** For cars, the national limit is 60 mph on single carriageways and 70 mph on dual carriageways and motorways.

257. **C. 70 mph.** Cars may do up to 70 mph on dual carriageways and motorways, unless signs show a lower limit.

258. **B. 30 mph.** A 30 mph limit generally applies to roads with street lights (not motorways) in England and Scotland, unless signs show otherwise.

259. **A. 20 mph.** In Wales the default limit on roads with street lights is 20 mph. Some roads have a 30 mph limit set locally.

260. **C. 60 mph.** Buses, coaches and minibuses up to 12 metres long have a limit of 50 mph on single carriageways and 60 mph on dual carriageways.

261. **C. 23 metres.** At 30 mph the typical thinking distance is 9 metres and the braking distance is 14 metres, so the overall stopping distance is 23 metres.
262. **B. 9 metres.** Thinking distance is how far you travel before you start to brake. At 30 mph it is about 9 metres.
263. **C. 36 metres.** At 40 mph it is 12 metres thinking distance plus 24 metres braking distance: 36 metres in total.
264. **D. 96 metres.** At 70 mph it is 21 metres thinking distance plus 75 metres braking distance: 96 metres in total.
265. **B. Make it at least twice as long.** The gap should be at least doubled on wet roads, and up to ten times greater on icy roads.
266. **C. A limit is the most you may do, and it is not always safe.** The speed limit is the absolute maximum. It does not mean it is safe to drive at that speed in all conditions.
267. **B. People driving the vehicles that can do the most harm.** Those in charge of vehicles that can cause the greatest harm in a collision bear the greatest responsibility. This applies to drivers of cars and taxis, as well as larger vehicles.
268. **B. Pedestrians, cyclists, horse riders and motorcyclists.** Pedestrians, cyclists, horse riders and motorcyclists are most at risk. Children, older adults and disabled people are at even greater risk.
269. **C. Give way and let the pedestrian cross first.** At a junction you should give way to pedestrians crossing or waiting to cross a road that you are turning into or out of.
270. **A. True.** Rule H2 says only pedestrians may use the pavement, and that pedestrians include wheelchair and mobility scooter users.
271. **A. At least 1.5 metres.** Leave at least 1.5 metres when overtaking cyclists at speeds of up to 30 mph, and more space at higher speeds. Wait behind if you cannot leave enough space.
272. **D. Below 10 mph, leaving at least 2 metres.** Pass horse riders and horse-drawn vehicles at under 10 mph and allow at least 2 metres of space.
273. **C. Wait and let the cyclist go past before you turn.** You should not cut across cyclists going ahead when you turn. Do not turn if it would make the cyclist stop or swerve.
274. **A. Give them plenty of room and do not cut across them.** Give priority to cyclists on the roundabout. Give them plenty of room and do not try to overtake them within their lane.
275. **B. With your left hand, so you turn and look behind you.** Where you can, open the door with the hand on the opposite side. This makes you look over your shoulder, so you are more likely to see cyclists and motorcyclists.
276. **C. No, as another vehicle may be coming that they cannot see.** Do not wave, flash your lights or use your horn to invite pedestrians across. This could be dangerous if another vehicle is approaching.
277. **A. To call 999 or 112 in an emergency when it is unsafe to stop.** You must not use a hand-held phone for any purpose while driving, even when stationary in traffic. There is an exception to call 999 or 112 in a genuine emergency when it is unsafe or impractical to stop.

278. **A. Yes, if you do not hold it and it does not block your view.** You may use a device hands-free, for example in a holder, as long as you do not hold it and it does not block your view of the road. You must still stay in full control.
279. **C. 6 penalty points and a £200 fine.** You can get 6 penalty points and a £200 fine. If you passed your test in the last 2 years, you will lose your licence.
280. **B. When the vehicle is stopped and you pay at a payment terminal.** You may use a hand-held device to make a contactless payment only when the vehicle is stationary and the goods or services are received at the same time or after.
281. **D. The passenger.** Adult passengers aged 14 and over must wear a seat belt if one is available. The passenger is responsible for this.
282. **B. Wear the adult seat belt.** From age 3 up to 1.35 metres or age 12, a child must use an adult belt in the rear if the correct child restraint is not available in a licensed taxi or private hire vehicle.
283. **D. While plying for hire or carrying passengers.** A licensed taxi driver does not need to wear a seat belt while looking for customers (plying for hire) or while carrying passengers.
284. **C. Yes, as the exemption is only for when you carry passengers.** A private hire driver is exempt only while carrying passengers. With no passengers in the car, you must wear your seat belt.
285. **B. 35 microgrammes per 100 ml.** In England and Wales you must not drive with more than 35 microgrammes of alcohol per 100 millilitres of breath. The limit in Scotland is lower, at 22.
286. **B. You may still be unfit to drive.** Alcohol takes time to leave your body. You may be unfit to drive in the morning after drinking the evening before.
287. **A. After every 2 hours of driving.** Plan your journey to take enough breaks. A break of at least 15 minutes after every two hours of driving is recommended.
288. **B. The Driver and Vehicle Licensing Agency (DVLA).** You must report to the DVLA any health condition likely to affect your driving. Your council licence conditions may also ask you to tell the council.
289. **C. No, you must not stop or park on the zig-zag lines.** You must not stop or park on a pedestrian crossing or in the area marked by the zig-zag lines.
290. **D. No, you must not stop there even to set down a passenger.** You must not wait, park, or stop to set down and pick up passengers on school entrance markings when upright signs show a ban on stopping.
291. **A. Yes, you may stop while passengers get in or out.** Double yellow lines mean no waiting at any time, but you may stop while passengers board or alight, unless other restrictions apply.
292. **C. A licensed taxi.** Red lines ban stopping to park, load or unload, or to let people board or alight. The exceptions are a licensed taxi and a Blue Badge holder.
293. **B. Within 10 metres.** Do not stop or park opposite or within 10 metres (32 feet) of a junction, except in an authorised parking space.
294. **D. At or near a bus stop.** Do not stop or park at or near a bus or tram stop or taxi rank, or anywhere you would block access for emergency services.

295. **C. Stop just long enough for passengers to get in or out.** You must not stop on an urban clearway in its hours of operation, except to pick up or set down passengers.
296. **D. No, you must not stop on the main carriageway of a clearway.** This sign means no stopping (clearway). You must not stop or park on a clearway. Only an urban clearway allows stopping to pick up or set down.
297. **B. No, you must not stop or park in a taxi bay.** You must not stop or park on taxi bays shown by upright signs and markings. These are for hackney carriages.
298. **A. Switch it off and apply the parking brake.** You must not leave an engine running unnecessarily while stationary on a public road. If you will be stopped for more than a couple of minutes, apply the parking brake and switch off the engine.
299. **C. No, not between 11.30 pm and 7 am in a built-up area.** You must not use your horn while stationary, or in a built-up area between 11.30 pm and 7 am, except when another road user poses a danger.
